

FOR SALE

1995 Honda Accord EX 4D Wagon (Dark Green) \$3000

Features

- Only 130k (low miles for a Honda)
- A/C
- Alloy Wheels
- Power everything (windows, locks, seat, etc.)
- Recent brake replacement (front & back)
- Timing belt has lots of time left on it (at least another 40k)
- Great tires with lots of life left
- Back seats fold down for more cargo space
- Cruise Control
- Moon Roof
- AM/FM Cassette Deck

Flaws

- ABS and SRS lights are on (which means they may not be operational)
- Baseball size dent on rear driver side (over wheel well)
- Slight rust on rear driver side wheel well (unrelated to dent)
- Aluminum alloy rims have been known to slowly leak air
(I am including my air pump with the car)
- Various slight scratches in the paint.

Maintenance History

- Standard Brake Replacement
- Oil changes regularly (every 5k)
- Shocks, Struts and Springs in front recently replaced
- Gas lines (front to rear) replaced
- New Gas tank installed when I purchased the vehicle (2003)
- Driver's side door replaced (neighbor backed into it)
- Front, Driver's side CV joint replaced
- Timing Belt changed at 92k
- Muffler replaced (currently in good shape)
